some way and/or to cease to operate at the conclusion of the Evaluation Period or at any other time as determined by IDV in its sole discretion. The limitations specific to the Evaluation Period shall end when You obtain additional license rights to the Software Product by performing certain additional steps, including supplying certain written information, paying certain fees and activating Software (said steps collectively described as a “Purchase” and notice of which – including a prescribed manner for supplying such information and fees – shall be provided in writing by IDV upon written request). IDV does not make any representation or warranty as to the accuracy or completeness of the Confidential and Proprietary Information or any component thereof. No license of any intellectual property rights, or any other rights, is granted by any disclosure of Proprietary Information. In addition to, and not in lieu of the termination provisions set forth in Section III, You agree that, in the event of a threatened or actual breach of a provision of this EULA by You, (a) monetary damages alone will be an inadequate remedy, (b) such breach will cause IDV great, immediate, and irreparable injury and damage, and (c) IDV shall be entitled to seek and obtain, from any court of competent jurisdiction (without the requirement of the posting of a bond, if applicable), immediate injunctive and other equitable relief in addition to, and not in lieu of, any other rights or remedies that IDV may have under applicable laws.
